Provide opportunity for visitors to access and share information re:

Personal position in relation to God/church/Christ

Provide access to Home Bible Study opportunities

Provide information about local meeting times

Family\News/Contact information for

Leadership/Staff

Web design of the HLCOC Website has been pursued with the intent of providing a presence on the world wide web, which gives visitors, a peak into the atmosphere and the emphasis of the entire congregation of believers, meeting at the Highland Lakes church of Christ.

The Family atmosphere and the various walks of the Christian life that come together among the individual believers meeting together at HLCOC, should be represented in such a way that visitors to the church website will know what to expect of us as a congregation and as individual believers.

Fees/Costs:

- Website design: ~~No Charge~~
- Domain Name registration: \$15.00 yearly
- Website Hosting: \$15.00 monthly
 - Includes unlimited email address assignments
 - Includes unlimited bandwidth usage
- Major changes to the Website/New page/Page Design, etc.: \$25.00 Base fee
Plus \$25.00 per hour for changes made
per the following policy guidelines.

Policy Guidelines:

- Any major changes to the Website/Page Design must:
 - be submitted to the eldership for consideration and approval
 - requested of the webmaster, by the eldership.
 - a formal letter requesting any changes to the Website must be signed by
 - a current member of the eldership and submitted to the webmaster.
 - submission/request should include:
 - specific changes to be made
 - a specific time frame in which the changes will be made

The above policy is designed to help facilitate a fair and professional procedure for management of the website presence of the Highland Lakes church of Christ and to ensure that the leadership of the congregation has full authority to determine the content and representation of the local church family, on the WWW.
